# EXTRA CURRICULAR ACTIVITIES

Our goal is to ensure that students have a positive, rewarding and enriching experience through the programs, activities, and events that the Athletic and Extracurricular Activities (ECA) division organizes throughout the school year.

At Colegio Interamericano we believe in an integral formation that must combine academic, humanistic, scientific, creative, artistic, sports and social learning.

Colegio Interamericano has a wide variety of extracurricular activities which are taught after regular school hours.

The clubs are taught by professionals hired to raise the quality of our ECA program. By offering different activities, each student can identify with a club and have the opportunity to participate

We have different types of activities:

Language classes  
(German, Korean and  
French)

Jazz, Spanish dance,  
Zumba and Cheerleading

Arts and crafts, singing  
clubs and music (piano,  
Suzuki violin, marimba,  
orchestra and bands)

Scouts, science clubs,  
cooking, film club,  
newsroom, chess and  
drama

Soccer, basketball,  
volleyball, athletics,  
karate, yoga and others

The registration process for ECA and sports takes place during the first months of school. The activities end in May. Clubs and sports are subject to space availability.
